CITY OF DANA POINT

NOTICE IS HEREBY GIVEN that the Traffic Improvement Subcommittee (Subcommittee) of the City of Dana Point will meet on July 16th to continue the discussion of the recently implemented Preferential Parking District (District) on Chula Vista north of Selva Road, which was last discussed on June 18, 2014. At their June 18, 2014 meeting, the Subcommittee directed staff to perform parking surveys and report back to the Subcommittee in July. The meeting will be held at the following date, time and location:

Date: July 16, 2014
Time: 3:00 PM
Location: City Council Chambers
Address: 33282 Golden Lantern
Dana Point, CA 92629

BACKGROUND

The City was approached by residents on Chula Vista north of Selva with concerns of a growing parking problem on the street. The Subcommittee held a Public Hearing on December 18th to discuss this topic and authorized the implementation of a Preferential Parking District (District) on Chula Vista north of Selva.

Since that time, the Subcommittee received a letter with concerns about the District from the Dana Light Homeowners Association. Further, several residents in the southerly portion of Chula Vista have also voiced concerns about the District and spillover parking into their neighborhood. At their April 16th meeting, the Subcommittee directed staff to reopen the Public Hearing on this topic and allow further discussion/consideration. The Subcommittee discussed the item at their June 18, 2014 meeting, and directed staff to perform parking surveys in Dana Light HOA and on Chula Vista and return in July with the results.

The Public Hearing will be held at the abovementioned date and time to discuss the District.
