## A Public Document

This form is for use by all state and local government agencies to disclose the distribution of tickets or passes that allow admission to facilities, events, shows, or performances for entertainment, amusement, recreational, or similar purposes. The agency must complete Form 802 identifying agency officials who receive tickets or passes from the agency as well as other individuals and organizations that receive tickets or passes at the behest of agency officials. Form 802 must be posted in a prominent fashion on the agency's website.

### Gifts of Tickets or Passes to Public Officials

FPPC Regulation 18944.1 sets out the circumstances under which an agency's distribution of tickets or passes to or at the behest of an official in the agency does not result in a gift to the official. (Regulation 18944.1 is available on the FPPC website at [www.fppc.ca.gov](http://www.fppc.ca.gov).) Even though the distribution of tickets or passes to a public official under the regulation is not a gift to the official, the agency must disclose the distribution on Form 802. The official does not have to disclose tickets or passes received or distributed under the regulation on his or her Statement of Economic Interests (Form 700), but tickets or passes received or distributed by the official that do not fall under the regulation may be subject to disclosure on the official's Form 700 and subject to gift limits.

### Posting Form 802

The Form 802 must be posted on the agency's website within 30 days after the distribution. If the agency does not maintain a website, the form must be maintained by the agency as a public record, be available for public inspection and copying, and be forwarded to the FPPC for posting on its website.

### Part 1. Agency Identification

List the agency's name, address and the name of an agency contact. Mark the amendment box if changing any information on a previously filed form and include the date of the original filing.

### Part 2. Event For Which Tickets Were Distributed

Provide the date(s) of the event, a description of the event, and the face value (i.e. the cost to the public) of the ticket or pass. Check the box indicating whether the event was an "agency event" (such as a county fair, or an event for which the agency purchased tickets). If the agency received the tickets from an outside source, identify the source, the number of tickets received, and check the box to identify whether the tickets or passes were provided to the agency:

- Gratuitously; or
- Pursuant to a contract.

### Part 3. Agency Official(s) Receiving Ticket(s)

Disclose the name of each agency official that received a ticket or pass and the number of tickets or passes the official received. Also state whether the distribution is income to the official or describe the public purpose for which the official received the tickets or passes.

### Part 4. Individual or Organization Receiving Ticket(s)

If tickets or passes were distributed to an individual or organization outside the agency, at the behest of an official of the agency, provide the name of the official. Disclose the name(s) of the individual(s) who received the tickets or passes and the number of tickets or passes provided. If the tickets or passes were provided to an organization, the agency may post the name, address, a description of the organization, and the number of tickets or passes provided to the organization in lieu of posting the name of each individual that received a ticket or pass. Also, describe the public purpose for the distribution to the individual or organization.

### Part 5. Verification

The agency head or his or her designee must sign the form.
