Dear City Council:

It has been brought to my attention that this ordinance has been pulled from the consent calendar for further discussion.

For the record, I support item #16 as sleeping in cars has gotten way out of control in Dana Point. I live in Chelsea Pointe off of Selva Rd. and the last 5 years have been laden with increased drug use, homelessness, unsanitary conditions and unsafe circumstances in the surrounding area. Please support item 16 as this will also improve our homeless liaison team probabilities to engage individuals and provide much needed help.
