**Public Works** | 1284 | Crown Valley Median Drought Conversion

**PROJECT DESCRIPTION:**
This program is intended to provide funding to upgrade the Crown Valley medians to irrigate with reclaimed water. This is dependent on SCWD providing a reclaimed water main line. Alternatives are being considered that could include turf replacement with drought tolerant plants, conversion of the irrigation system to use recycled water, and other alternatives that may be more costly.

**CLASSIFICATION:**
- Health and Safety Project
- Mandated Project
- Rehabilitation Project
- Water Quality Project
- Park Project
- Beautification Project

**PROJECT LOCATION:**

**PRIORITY:**
- Essential
- Necessary
- Desirable
- Deferrable
